MEMORANDUM

DATE: August 19, 2010

TO: Board of Environmental Protection

FROM: Cynthia Bertocci, Executive Analyst

RE: United States Surgical Corp. and Mallinckrodt LLC
Appeal of Designation of Uncontrolled Hazardous Substance Site and Order

The Board held deliberative sessions on this matter on May 6, May 20, June 3, and August 5, 2010.

The attached draft Board Order reflects the changes requested by the Board at its August 5, 2010 deliberative session. I have also corrected typographical errors, made some changes to ensure consistent use of terminology, and revised a few sentences for clarity.

At the meeting on August 19, 2010, the Board will review the draft order and provide further guidance to staff or decide the matter.

Estimated time of discussion: 15 minutes.
